Our Wine Philosophy

This wine list is but taking its first steps. While it will always be a work in progress, we have grand plans for the future of this beverage program. Not only will we push for a grander and more vibrant wine selection here at the Grant House, we're developing a vibrant and dynamic cocktail, spirits and beer program unlike anything we've had before.

Thank you so much for dining with us and being part of this amazing new chapter of Beckta. And, as always, we would be honoured to help you with your selection.

Cheers!

Pieter Van den Weghe
